Dear Parent/Guardian,

Children Aged Five to 11 Now Eligible to Receive Pfizer COVID-19 Vaccine

The Leeds, Grenville & Lanark District Health Unit (LGLDHU) is pleased to announce that COVID-19 vaccine appointments for children aged 5-11 are now open. Children must be turning 5 years of age by the end of 2021 (born in 2016 or earlier) to be eligible for the vaccine. We have reserved some of our clinics for children/youth ages 5-25 only.

Ontario is working with its public health partners to develop a multi-channel approach to make the vaccine as accessible as possible for this age group. Starting on November 23 at 8:00 a.m., vaccine appointments for children aged five to 11 can be booked through the [COVID-19 vaccination portal](#) or by calling the Provincial Vaccine Contact Centre (1-833-943-3900), directly through public health units that use their own booking systems, through [participating pharmacies](#), and select primary care providers.
