### School Fundraising:

#### DATES TO BE DECIDED

**MacMillans**—a local family owned business that has been successfully serving fundraising solutions throughout Ontario, Quebec and New Brunswick for over 30 years. Famous for cookie dough, muffin batter and other tasty goodies, have proven to be a quick, easy and yummy way to reach your fundraising goals. The schools proceeds are 30% of sales.

**Little Caeser Pizza**—Little Caesars, proudly helps raise millions of dollars for schools, sports teams and non-profit organizations in Canada by providing quality, name-brand products, including pizzas and other delicious snacks, that can be made at home in less than 10 minutes. The school gets \$6 from each kit sold.

**Papa Jack Popcorn Sales**— Students will be able to purchase an individual bag of popcorn for \$1.00 each on Fridays. They can choose from a variety of delicious flavours. The school would earn approx. \$0.30 per bag sold.

Glen Tay School is pleased to invite Blues in the Schools Feb 28th through to March 11th. This program includes two phases. Week one of the program involves rotating, assembly-like virtual presentations by various artists for the entire school from 10 to 11 am. March 7 - March 11 - An artist or pair of artists will work with the Grade 5/6 class for the week with a short presentation on the final Friday to share with the whole school. The presentation will be a combination of artist performance and student songs and poetry written during the week. I will send out another

invite for this presentation.

Initiated in two Ottawa-area schools in 1999, Blues in the Schools has seen tremendous growth. An average of 20 area schools now participate annually with tens of thousands of students having taken part in the program since its inception. Over the course of the twenty-year run, the 'Team Behind Bluesfest'—a not-for-profit charitable organization—has invested more than \$1 million in local and visiting artists/educators who deliver the program.

The aim of the program is to expose students from all backgrounds to music and to encourage them to use music as a positive outlet in dealing with the world around them. This year, visiting artists/educators and local musicians will deliver the program to more than 5,000 students in Ottawa-area schools and beyond.
