

The Timberwolves Times

May 2022

Dear Glen Tay families,

I'd like to take this opportunity to let you know about some upcoming changes to the administration at Glen Tay for the 2022-2023 school year.

Effective July 1, I will be moving over as Principal of The Queen Elizabeth School and Carmela Ciocio will be coming from Caldwell Elementary to take on the role of Principal at Glen Tay.

I had the privilege of working with Carmela during my time as a Vice-Principal and I couldn't think of better hands in which to leave this building. She will be visiting the school soon to introduce herself to staff and students as we begin the transition process.

Thank you for all your support over the past three years. I have truly enjoyed my time at Glen Tay and will take many fond memories with me.

Claire

 SCHOLASTIC

Save The Date!

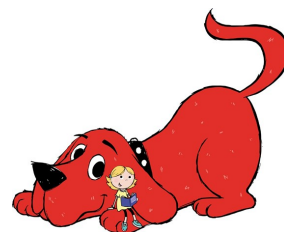

Mark your calendars! The fun and excitement of
a Scholastic Book Fair is coming to our school!

Our Scholastic Book Fair will take place from

May 3rd to May 6th.

visit our school's Book Fair Online using this link:

<https://virtualbookfairs.scholastic.ca/pages/5158857>

We had great success this time with our new incubator! A total of 3 Bantams, 9 chicks, 7 ducks and 2 turkeys hatched successfully. Ms. MacDonald has taken them all home, but brings them back for visits. A parent has adopted 5 of the 7 ducks to live on their farm.

It's been an exciting month at Glen Tay. Students are enjoying the beautiful weather and have been loving the opportunity to play lacrosse and use our play structures during the recess breaks. Our campus is looking beautiful thanks to all the hard work put in by students and staff to clean up the yard and tend to our gardens during our Earth Day celebrations. Many classes have taken time to plant seeds, and everyone is enjoying watching as the new plants emerge and grow.

Last week, our junior students had the opportunity to participate in two workshops lead by Cultural Advisor, Danka Brewer. During these sessions, students had the opportunity to learn about the Seven Grandfather Teachings and participate in a drumming session.

Next month, our primary classes will be participating in complementary virtual sessions through the Scientist in the School program.

We're all so thankful that we've been able to bring back our reading buddies' program. It truly is such a positive experience for everyone involved. A huge thank you to staff for arranging this.

EQAO testing for grade three and six students is coming up later this month. Students are being introduced to the new electronic platform by their teachers through a practice assessment so that they are ready to participate in the sessions during the week of May 16th-20th. Please connect with your child(ren)'s teacher or me if you have any questions. More details can be found at <https://www.eqao.com/>

Parent council meeting Thursday May 5th @ 7:30
Invite will be sent out via My Family Room
Room

Everyone is welcome :)
